Element Biosciences

SHIFT YOUR SCIENCE

Agenda

Thursday, November 5, 2026 · 10:00 AM – 2:00 PM
Boston Marriott Cambridge · 50 Broadway, Cambridge, MA 02142

10:00 AM · 15 min

Welcome
Molly He, PhD · CEO & Cofounder
Element Biosciences

10:15 AM · 50 min

Element Innovation Roadmap
Michael Previte, PhD · CTO, SVP of Advanced Research & Cofounder, Element Biosciences

11:05 AM · 15 min

Whole Genome Sequencing of Rare Disease Samples on VITARI
Francisco Garcia, PhD · SVP of Informatics
Element Biosciences

11:20 AM · 20 min

Increasing the scalability of perturbations in fibroblasts using optical pooled screening
Deirdre O'Sullivan · Thomas Norman Lab, MSKCC

11:40 AM · 15 min

Direct In Situ Sequencing of Cell Types and Variants in Archival Patient Samples
Jeetayu Biswas, MD, PhD · Oncology Fellow, MSKCC

11:55 AM · 5 min

Closing remarks
Molly He, PhD · CEO & Cofounder
Element Biosciences

12:00 PM · 1 hr — **Lunch**

1:00 PM · 1 hr — **Networking and discussion**
Talk shop with our team and other researchers
